Defendant is correct that two of his co-defendants are also responsible for the \$900 in restitution, in that they were held to be jointly and severally liable. However, defendant misunderstands the meaning of joint and several liability. Joint and several liability means that each judgment defendant is responsible or liable for the entire amount of the judgment. It does not, as defendant argues, mean that the court should order each defendant to pay \$300.

Because defendant's motion is without merit, it is hereby
DENIED.
